

STAIN FRESH Queensland's Jasmin Skincare boasts one of the world's largest of luxurious certified organic skincare. It is produced at the top of Mount Pine, in the Gold Coast hinterland, against a backdrop of lush sub-tropical rainforest amidst an abundant supply of pure water.

Wellbeing and nature are the principles behind the Jasmin range promising pure beauty to its users. Jasmin Skincare is certified by the Organic Food Chain. www.jasminskincare.com

QUALITY New Zealand's Living Nature claims to be one of the world's first companies to produce skincare products without synthetic preservatives, parabens, and is "passionate about

unique flora form the basis of Living Nature's skincare and cosmetic products, and ingredients include jojoba oil and manuka honey, harakeke (kelp), totara, the kumerahou and halloysite clay.

Living Nature's products are tested by independent laboratories, in Italy, and are certified by the independent natural cosmetics auditor, BDIH in Germany. www.livingnature.com

EASY TO LOVE Samantha Molineux started Lily loves Pearl to find products that suited her sensitive skin. "The way we run our company is how we live our lives: with integrity, simplicity and the willingness to make a difference," Samantha says.

The range is based in Daylesford, Victoria, Australia's capital of spas and natural mineral springs.

Certified organic by the Organic Food Chain, it is based on rosehip oil and includes vanilla and honey, marshmallow, oregano, grapefruit, rose, nettle, calendula and chamomile. Delicious! www.lilylovespearl.com

THREEFOLD EFFECT Designed around the three principles of simplicity, purity and vitality, Trilogy's products contain simple blends of pure botanical actives to help restore sparkling health to skin and hair.

Certified organic Rosehip Oil is a best-selling Trilogy product and a key ingredient across the entire Trilogy range.

The New Zealand company makes more than 30 face, body and haircare products and has just launched the Age Proof range, designed to combat the signs of ageing. www.trilogyproducts.com

SENSITIVE SOUL MV Organic Skincare's Sharon McGlinchey started out to help people with skin sensitivities such as eczema and rosacea, which led to the development of a more extensive range.

Sharon is driven by a desire to positively affect the health of both the individual and the environment.

As a result, MV products are made for the most sensitive skin and authentic in their organic purity, while also being beautiful to use.

The range uses Fair Trade palm oil from Colombia in its Gentle Cleansing Bar, and ethical suppliers for all other ingredients. www.mvskincare.com.au
